#### What's BIJIN NABE?

Collagen is a protein famous for its rejuvenating properties. The BIJIN NABE's powers lie in its broth, which is made from melted collagen. Beauty enthusiasts may have heard of the protein, which helps in rebuilding dead cells to recreate a youthful, healthy glow. The collagen-rich blend of the BIJIN NABE helps in replenishing the body's natural supply, hence the moniker "Beauty Collagen Pot".

濃厚なコラーゲンスープと有機野菜をはじめとする新鮮ヘルシーな具材はたくさん食べても体に優しいのが特徴。軽く一煮立ちしたら、一口目はスープだけをお召し上がりください。思わず声が漏れてしまうほどの深い味わいを具材とともにご堪能ください。

The thick "Golden Chicken Collagen Stock" is made by stewing the chicken bones for over 8 hours.
